

San Maurizio d'Opaglio, 21/10/2022

## **SUPPLIER CONFORMITY DECLARATION**

**(according to ISO/IEC 17050-1)**

**Giacomini S.p.A.** company, manufacturer of components for heating, cooling and sanitary distribution systems, located in Italy, San Maurizio d'Opaglio (NO), via per Alzo n. 39, whose design and production processes comply with the requirements of the UNI EN ISO 9001:2015 standard,

### **STATES that**

the thermostatic heads

**R460H with liquid sensor, R468H with liquid sensor,**

**R470H: with liquid sensor**

are explicitly reported in the Licence nr. 02-GIA-TRV-G granted by SIET S.p.A.

for the use of the KEYMARK (Product Certification, current issue dated 31/01/2020 valid until 30/01/2024),

like the valve bodies R401H and R402H sizes DN15 and DN20,

R403H size DN15 and R415H size DN15,

mentioned in the same certificate and tested with the above listed heads.

Since this certificate has been issued only after the successful results of the official tests

foreseen by the European standard EN 215, we state that:

*The mentioned valves can be considered at **low thermal inertia**, as requested by the Decree of the Italian Ministry of Economics and Finance dated 19 February 2007 (and subsequent modifications and additions) "Disposizioni in materia di detrazioni per le spese di riqualificazione energetica del patrimonio edilizio esistente, ai sensi dell'art. 1, comma 349, della Legge 27 dicembre 2006, n.296".*

Moreover Giacomini **states** that the above mentioned products have been properly

designed and manufactured, controlled at source either individually,

or with the selective methods provided for by the standard EN 215.
