

Svitare il dado con apposita chiave. Togliere la leva ed inserire il nuovo anello premistoppa in PTFE (contenuto nella confezione), senza rimuovere quello già presente.  
*Unscrew the nut with the appropriate key. Remove the lever and put the new PTFE stuffing box ring (included into the packaging) without removing the existing one.*

Per serrare a fondo utilizzare la leva della valvola a sfera.  
*Use the lever of the ball valve, to screw deeply.*

Installare la prolunga cilindrica del perno che va incastrata sull'asta della valvola a sfera, prestando attenzione al senso di apertura.  
*Install the cylindrical extension of the pin, that must be fitted in on the stem of the ball valve, paying attention to the opening direction.*

Inserire la rondella in ottone (contenuta nella confezione).  
*Insert the brass washer (included into the packaging).*

Avvitare sull'asta della valvola a sfera il perno centrale della prolunga universale R749T.  
*On the stem of the ball valve, screw the central pin of the R749T universal extension.*

Montare la leva e serrare il dado con apposita chiave.  
*Mount the lever and screw the nut by using the appropriate key.*
